Profile

Detail-oriented web developer with 3 years of experience creating and maintaining websites. Proficient in HTML, CSS, JavaScript, and WordPress. Skilled in front-end and back-end development, with a strong focus on user experience and responsive design. Seeking an opportunity to utilize my skills and contribute to the success of a dynamic and innovative company.

Work Experience

Web developer

- Developed and maintained responsive and user-friendly websites using HTML, CSS, and JavaScript, resulting in increased user engagement and improved site performance.
- Collaborated with cross-functional teams to gather requirements and design and implement innovative web solutions, ensuring seamless integration with existing systems.
- Optimized website speed and performance through efficient coding practices and intuitive UI/UX design, resulting in a 40% reduction in page load time.
- Conducted thorough testing and debugging to identify and resolve issues, ensuring a bug-free and smooth user experience on various browsers and devices.
